

**July 2012 Grants Newsletter**

Dear Friends,

It was great to be home in Alaska over the July 4 week, and I was glad to spend time celebrating our nation's independence with Alaskans in Fairbanks, Bethel, Quinhagak, Seward, and Anchorage. In Quinhagak, I saw first-hand how federal dollars contribute to projects that are improving the community – from safe, efficient housing to a new public safety building. I appreciate these reminders of just how much Alaskans can accomplish when they combine a healthy spirit of independence with a good opportunity to get something done. I hope you will take a few moments to look through the following federal funding opportunities and see which ones might help your organization or community accomplish goals.

Let me know if you are applying for any of these opportunities so I can advocate on your behalf in Washington. You can always get in touch with me through my website or by calling Clare Boersma in Anchorage (907-271-5915) or Cory Turner in Washington, D.C. (202-224-3004).

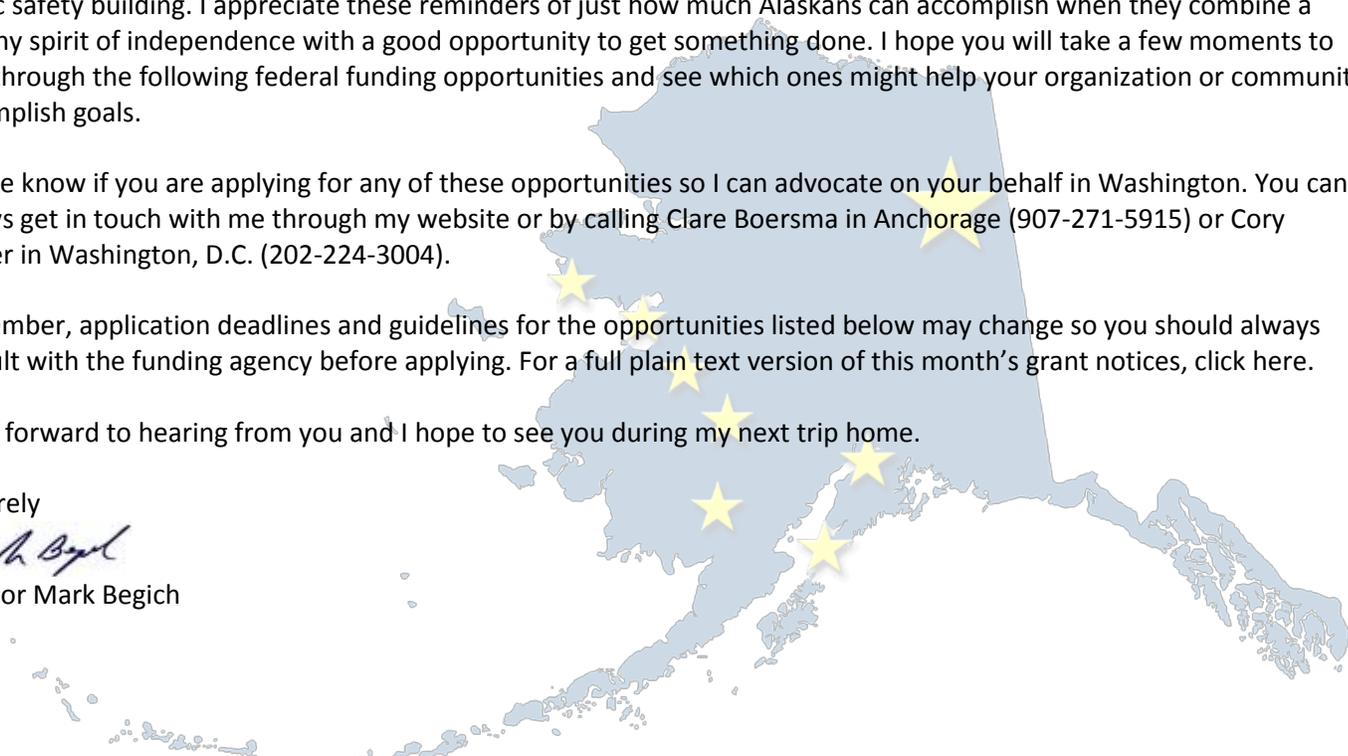

Remember, application deadlines and guidelines for the opportunities listed below may change so you should always consult with the funding agency before applying. For a full plain text version of this month's grant notices, [click here](#).

I look forward to hearing from you and I hope to see you during my next trip home.

Sincerely

Senator Mark Begich

## Education
