

MARK BEGICH

U.S. Senator for the State of 

September 2012 Grants Newsletter

Dear Friends,

September is nearly over and we are all back in the swing of school and work after a busy summer. When hunting and fishing seasons are over and the days get short, we all buckle down and get back to work on those projects we've had a hard time doing while the sun was shining. I spent some time cutting up trees a couple weeks ago in Anchorage after the recent windstorms, and I know when I'm home in October I'll need to get the house ready for winter. Whatever your projects are, I hope you will take a few moments to look through the opportunities listed here to see what you might find to help your community innovate and move forward in the coming months.

Let me know if you are applying for any of these opportunities so I can advocate on your behalf in Washington. You can always get in touch with me through my website or by calling Clare Boersma in Anchorage (907-271-5915) or Cory Turner in Washington, D.C. (202-224-3004).

For a full plain text version of this month's grant notices, click [here](#).

I look forward to hearing from you and I hope to see you around next month while I'm traveling around the state.

Sincerely

Senator Mark Begich
