News to Use About Federal Funding from Senator Mark Begich

Dear Friends,

It was great seeing many Alaskans when I was home in October traveling around the state. In Ketchikan, I was impressed by the recent improvements at Vigor's Alaska Ship & Drydock facility using Maritime Administration funding for small shipyards. During a day in the Mat-Su Valley, I visited with the group, Alaskans for Palmer Hay Flats, and checked out the wildlife viewing station site they'll build near the Glenn Highway, funded partly by the National Scenic Byways Program. Finally, I was energized seeing many friends at the Alaska Federation of Natives Convention in Anchorage. The energy at AFN always recharges my batteries and gets me ready to power through the winter working on issues important to Alaskans.

Wildlife Viewing Site - Sen. Begich meets with Alaskans for Palmer Hayflats (APH) board president Kris Abshire and Susitna Rotary charter member Ralph Buzard. Susitna Rotary has partnered with APH on construction of a wildlife viewing tower.

The highlight of every trip home is the time I spend hearing from Alaskans about what you are working on. Let me know if you are applying for any of these opportunities so I can advocate on your behalf in Washington. You can always get in touch with me through my website or by calling Clare Boersma in Anchorage (907-271-5915) or Cory Turner in Washington, D.C. (202-224-3004).
